You Light Up My Life

This book is about a family, their financial woes, the wrongful attempts to rectify the situation, and the progression from there to even more outlandish events while the law tries to find the best solution to the process.

You Light up My Life

Dr. Bob Herrin grew up on a dairy farm in Oklahoma. He was taught respect and love for others. He was energetic, enjoyed working on the farm and helping his mother. He was strong and quick and had unusual acuteness of vision and hearing. Dr. Herrin worked his way through high school, college, and medical school. He worked forty hours per week, graduated in four years and entered Medical School in Oklahoma with the highest grade point average in his class. He became a general surgeon and entered practice in Marshall, Texas in 1965. He worked a huge number of hours and took emergency call for thirty-five years. He was dedicated to his patients, family and friends. In *You Light Up Our Country*, Dr. Herrin presents his opinions—formed during his many years as a surgeon—on all the things he believes are affecting our country today, including collected articles from newspapers, magazines and TV, which he uses to validate his opinions and facts. He has great concern about changes in the legal system and government that he believes are injuring the people and nation. He believes his major duty as a citizen is to provide little-known truth and information that is essential to saving our country.

Midlife is definitely a journey. The road has massive potholes. And the crisis... it's the gift that keeps on giving. Being forty is supposed to be freaking fabulous not fatal. Taking on a daunting new job minus the description isn't the smartest move I've ever made, even if it was to save a friend. Hopefully, it doesn't turn out to be the stupidest... or deadliest. Why can't things stay the way they were? I love my old job. Supergluing ghosts back together and solving their issues is its own reward. Not to mention, I'm seriously good at it. Although, I must say, I'm ridiculously excited for the new Death Counselor's arrival in nine months... Adding to my problems, there are four new angels in town who are riding my butt and judging every move I make. Literally. Who knew destroying one Immortal could cause me so much trouble? If I'm found guilty, I'll be pushing up daisies. Luckily, my nutty friends have my back and the Grim Reaper has my heart. What could possibly go wrong? Nothing is impossible. I am living proof. Let's just hope I live to prove it.

This book shows hoteliers how to create a spirit of hospitality that is impossible to create with the globally pervasive, standards manual-based concept of SOP-Customer Satisfaction. Heart-Based Hospitality is an energetic and spiritual concept of hospitality, and it provides a completely new direction in hospitality. It is based on creating an ever-increasing spirit of unconditional love, Metta loving-kindness, compassion, and heart-warming care, which are the forgotten essence of hospitality. By working with energy, especially heart energy, and by developing the spiritual capacity of the staff you can create limitless levels of spiritual and energetic hospitality far above the traditional SOP-Customer Satisfaction ceiling. As you develop Heart-Based Hospitality you can increase the softness, gentleness, loving-kindness, compassion, and heart-warming care of the staff and the energetic warmth of the hospitality without limit. Heart-Based Hospitality is a concept and a direction that enables the spirit of hospitality to evolve energetically and spiritually. It will revolutionise the hospitality industry. I call the level Heart-Based Hospitality because it is created by working with human energy, especially with the energy of the heart; by developing the heart's intelligence; by increasing heart coherence so as to open the heart to experience ever-stronger emotions of love; and by developing spiritual capacity which increases the desire to show unconditional love, Metta loving-kindness, heart-warming care, and compassion from the heart. The future hospitality experience will be energetic and spiritual. Hotels in the future will also use heart field energy techniques to change the energetic vibration of the hotel staff, the guests, and spaces. They will also infuse spaces, facilities, and guest accommodation with pleasant-feeling energy through specific meditations. I have written the book in order to bring about a revolution of change in the hotel industry. The book shows hotels how to implement and develop the process of creating Heart-Based Hospitality. Part 1, the Introduction to the book, explains what the book is about. Go to this link: http://heartbasedhospitality.com/?page_id=57800

A survival kit is an absolute must in danger zones, often determining whether we survive, barely make it or perish through unpreparedness. We also need a survival kit to navigate the storms of life battering our mental, emotional and spiritual health. This book was written specifically to address the 10 grave problems facing humanity from a Christian perspective. SURVIVAL KIT examines these challenges and the fears and apprehension of countless millions who have lost hope that their governments/leaders can solve their everyday concerns. The book is both practical and devotional, with sensible and spiritual suggestions. There is strong emphasis on doctrine to help us understand the WHAT and WHY of the Christian faith, with special focus on the Second Coming of Christ. All in all, a survival kit for everyday use and for almost any situation.

Reviews for Survival Kit An excellent prophetic book that is spot on. A very timely read for those asking questions about End Time events. SURVIVAL KIT is really an appropriate title, a practical guide for living in these stressful times, culled from Jackie's many years of life and ministry experiences. I congratulate her for this book is a legacy to this generation, so apt in these perilous and unpredictable times. Pastor Kenneth Kang Triumph in Christ, Penang -- SURVIVAL KIT vividly describes the anxious and challenging times we live in today by giving an insightful expose of global problems. A versatile book indeed. It not only responds to problems from a Christian perspective, backed by Biblical references and examples, but also includes a useful section for ministry and counselling. The Remnant refers to a continuous community (large or small) of God's people who were or are spiritually preserved throughout various dispensations....Abraham's descendants preserved from all attempts by the enemy to destroy them. Remnant believers make deliberate choices to obey God at all costs. They have boldness and courage, refusing to submit to the prevailing values and norms of society. Are you a REMNANT believer? Would you be willing to partner Jesus Christ in the greatest adventure of your life, to be used by Him to change your generation and hasten His coming?

Spiritually Speaking III

Evan Andrews, twenty-six, is a real Adonis as far as his new girlfriend, Cynthia, is concerned, as well as all the others around her. He is pleasant, extremely handsome, and a real Mr. Nice Guy, and many think he is a male model or an actor. Standing six-foot-one, with a bronze, taut body from working at the gym, he is really eye-catching attractive, but he scored a job as a courier and enjoys it very much. After six months, his boss invites him to his daughters twenty-first birthday; and when he and Cynthia meet, the fireworks go off, and they are smitten with each other. Cynthia is brunette, beautiful, has a happy personality, has a good figure, and is the apple of her fathers eye. After meeting Cynthia, Evan asked her on a date the following week, and she accepted. Her brother, Lyle, came over from Egypt, where he has been travelling and met up with his school mate, Pete, who was also invited to the party and felt he also would like to see Cynthia as she had grown up since he saw her four years ago and gone from a plain, skinny teenager to this attractive, sexy young woman. Lyle could see the jealousy coming from Pete when she accepted the date with Evan, and from then on there were problems, and on New Years Eve, Pete decided that Cynthia is his and did something about it, which caused massive problems for the Preston and Andrews families as he abducted Cynthia, and no one knew where he had taken her. Time went by, and finally Cynthia was found and had to fight to live as she had not eaten a morsel in eighteen days, praying she would die knowing she could never be found where he had taken her. It was touch and go for her to live, and over a long time, she had to learn to live and walk again. This is a heartfelt story of what jealousy can do and how it can make someone unbalanced; how the people of Australia, thanks to the media, along with her family and friends, stood by her while she was fighting to stay alive; and how a deep, meaningful love triumphs all.

The Music Tree: Student's Book, Part 2B

Have you ever wondered what leads to success. Do you just need to be smart, great looking, or lucky? Richard St. John says those things don't lead to success. And he should know. He spent 10 years interviewing over 500 successful people, from Martha Stewart, to actor Russell Crowe, to DNA discoverer James Watson, to the top people in many fields. After analyzing and sorting all the information, Richard discovered the top 8 factors that are the foundation for success in any field. He also discovered that many successful people aren't especially smart, good-looking, or lucky. They're ordinary people, without special gifts, who achieve success by following the 8 factors. Richard himself is a good example. He says, I could never figure out how an ordinary guy like me succeeded in business, won top awards and became a millionaire. So I started a project to ask other people what led to their success, and it grew into a 10-year journey of discovery. The story is in Richards new book, Stupid, Ugly, Unlucky and RICH Spikes Guide to Success, an easy-to-read analysis that gets beyond the cliches to distill what the worlds most successful people really do have in common."

Songs of My Heart

What price would you pay to find hope and victory in the presence of your darkest moments? Nothing brings us to our knees more than hardships or ultimately the loss of a loved one. Pastor Denny Carr and his wife, Jan, have experienced the unspeakable: the death of their oldest child. It was through this tragic event that they discovered one profound truth: one can face, overcome, and move beyond all the pain agony, loneliness, heartbreak, hopelessness, desperation, and even death itself. Jesus Christ can move us from the darkness of despair to the light and comfort found in His presence. This true story shows that deep down, all of us want to believe and experience the supernatural. In our present-day culture, we are starving to find inner meaning, guidance, and purpose in life. This book was written as a tool that seeks to affirm what we are all searching for. We want to embrace truth, meaning, joy, assurance, and victory in the midst of tragedy and heartache. It can all happen for you as you read Time After Time.
